This beautiful historic home, built in 1840, sits proudly in the heart of Carrollton on 1.2 acres of land. Featuring two spacious bedrooms and two full baths, this residence blends timeless character with modern comfort. Inside, you'll find 12-foot ceilings, hardwood floors, and graciously proportioned rooms that reflect the craftsmanship of a bygone era. A large front porch invites you to relax and take in the charm of this historic town, or you could sit on your private back porch and listen to the birds while enjoying your favorite beverage.
